If you are missing parts or have any questions, please call Customer Service at 888-705-0777.

Instructions

Base Assembly

1. To attach optional floor plate, set the base on the floor with the bottom of the columns pointing upward. Remove leveling glides. Place the floor plate over the columns aligning holes in the floor plate with the holes in the columns. Insert (3) hex head bolts with washers inside them and start them by hand.
2. Use impact drill to **tight bolts as much as possible.**

Table Assembly

1. Lay table top upside down on cardboard or carpeted surface.
2. Position column on the top and align holes in mounting plate with pre-drilled holes in the top. Use wood screws to attach the top. Use every hole in the mounting plate.
3. Holding onto the edges of the top, carefully turn the table over in the upright position. Enjoy your table!

START BOLTS BY HAND TO PREVENT CROSS THREADING
