### Instructions

#### Table Assembly

1. Lay table top upside down on cardboard or carpeted surface.
2. Position bases on table edges and align holes in mounting plates with the pre-drilled holes in the table top. Use every hole in the mounting plate to attach the legs with screws.
3. Use Phillips screwdriver or impact drill to install wood screws through the base in table top. **Fully tighten screws.**
4. If steel table support is provided, attach it in the center of the table between the bases.
5. Holding onto the edges of the top, carefully turn the table over in the upright position. Enjoy your table!
