BENCHING SYSTEM

AFFORDABLE

MODERN

SPACE-SAVER

CORE Benching | Key Benefits

We offer standardized, modular options and accessories that adapt to any project's design requirements

- European made
- Infinite flexibility
- Modular design
- Multi-railing for structural integrity
- Streamlined reconfiguration
- Pressure fitted assembly requires minimal tools
- Extremely cost-effective solution for the needs of today's workspaces
- Clean, minimalistic and uncluttered for a higher end look at an unmatched price

**Benching systems
are the go-to for affordable,
modern, high-density offices**

With decades of expertise in contract tables, Special-T has developed a modular benching system that is easily customizable and adaptable to meet specific project needs and budgets.

Our versatile platforms feature telescopic beams for flexibility, multi-rail systems for stability, and minimalist understructures for cost-effective solutions. A wide range of accessories, including wire management and optional fabric-covered dividing screens, further enhances functionality.

Customize workspaces with optional monitor arms, wire cut-outs, and power distribution.

CORE | 10-SEAT DUAL LINE BENCH | WHITE TOPS | METALLIC SILVER BASE | DAINTY FABRIC DIVIDERS
