Occasional Table Collection

Special-T, a leading commercial furniture manufacturer, offers a versatile collection of occasional tables, including coffee, side, and laptop tables, designed to bring style and purpose to modern environments. Each piece is thoughtfully crafted, focusing on functionality, aesthetics, and long-lasting performance.

With a wide range of sizes, shapes, and finishes, these tables adapt seamlessly to offices, lounges, and public spaces. Tabletop options include durable High-Pressure Laminate (HPL) and premium Solid Surface, offering everyday resilience and elevated design. Committed to quality and innovation, Special-T is the trusted choice for businesses seeking refined, flexible, and engaging interiors.

Bent Wire Occasional Tables

Special-T's Bent Wire collection brings sculptural elegance to occasional tables, offering coffee and end table heights that complement modern interiors with structural clarity and refined simplicity.

Designed with both form and function in mind, each base features 3/8" solid steel wire, precision-bent and welded, to create clean, expressive silhouettes from every angle. With a light footprint and thoughtful proportions, these tables deliver strength without visual weight, making them ideal for workplaces, hospitality, and collaborative spaces.

Special-T's Bent Wire collection provides flexibility in meeting design vision and budget without compromise. It is available in various sizes, finishes, and materials, including high-pressure laminate and solid surfaces.
