Designer Profile | J Robert Bazemore

J Robert Bazemore is a professional with over 38 years of experience in furniture design, architectural interiors master planning, programming, strategic consulting, environmental graphics, and design. Throughout his career, he has collaborated with some of the industry's most creative and talented teams.

His designs have been recognized with two Monsanto DOC awards, an Antron design award, and several regional awards. In addition, his work has been featured in numerous industry publications.

Bob has taught at Winthrop University and was a professor of furniture design at Savannah College of Art and Design. Bob's unique design experience and commitment to delivering results have made him a respected and sought-after professional.

INSPIRATION FOR ZIA

PRODUCT DEVELOPMENT FROM CONCEPT TO COMPLETION

The process of designing a modern table requires a combination of artistic vision, technical skills, and practical considerations—ZIA's design balances form and function, creating visually appealing and functional tables resulting from collaboration, creativity, and innovation.

ZIA | COLLECTION

EFFORTLESS ELEGANCE FOR EVERY ENVIRONMENT

Introducing ZIA, Special-T's latest collection featuring tables, credenzas, and other accessories. With a sleek and contemporary design, these pieces will elevate any environment, be it an office, classroom, or shared space. The ZIA collection is designed to seamlessly integrate into any setting, offering versatility and style. Crafted from high-quality materials, ZIA ensures durability to withstand heavy usage. Its minimalist design not only enhances aesthetics but also simplifies cleaning and maintenance. ZIA tables prioritize user comfort, providing an ideal work, learning, and collaboration environment.

THE ZIA ADVANTAGE

- Modular design for quick and easy assembly
- Unbelievably sturdy to withstand high usage
- Versatile design for all environments
