

TOOLS

PARTS & HARDWARE LIST

OPTIONAL PARTS

OPTIONAL TABLE SUPPORT

Align support with the pre-drilled groove on the underside of the table. Fasten using included wood screws.

OPTIONAL CASTERS

Remove the adjustable leveling glides in each foot and install (4) casters using a 13mm wrench.

ASSEMBLY STEPS

1

Align the folding mechanisms with the pre-drilled holes on the underside of the table surface. Ensure the folding mechanism release handles are facing outward.

Fasten folding mechanisms to the tabletop using wood screws.

2

Fasten columns to folding mechanisms using socket cap bolts.

3

Fasten feet to columns by installing a hex bolt & lock washer through the foot into the column.

ASSEMBLED KINGSTON FOLDING TABLE

ASSEMBLY STEPS

1

Position riser assembly on (1) folding mechanism as illustrated. Fasten the riser to the folding mechanism using button head screws & nuts.

2

Align folding mechanisms with pre-drilled holes on the underside of the table surface. Ensure the folding mechanism release handles are facing outward.

Fasten folding mechanisms to the tabletop using wood screws.

RISER ASSEMBLY

4

Fasten feet to columns by installing a hex bolt & lock washer through the foot into the column.

3

A
TALLER
COLUMN

Fasten the shorter column to the folding mechanism featuring the riser assembly using socket cap bolts.

Fasten the taller column to the remaining folding mechanism using socket cap bolts.

OPTIONAL CASTERS

Remove the adjustable leveling glides in each foot and install (4) casters using a 13mm wrench.
