Space Saving Tables For Training and Hospitality

Cafeteria | Classroom | Group Seating

Special-T is a premier commercial furniture manufacturer specializing in a diverse range of tables designed for the hospitality industry. Our tables are meticulously crafted with features like multiple base styles and different heights, ensuring versatility to accommodate a variety of uses and seating arrangements. With a commitment to quality and innovation, Special-T continues to be a trusted choice for hospitality establishments seeking stylish and functional furniture solutions.

Caliber Flip & Nest Tables deliver an affordable, user-friendly solution for effortless installation; it stands out as an innovative and reliable alternative in today's market.

Caliber

Transform workspaces with Caliber flip and nest tables, the ultimate solution for maximizing adaptability and efficiency in training rooms. They feature an innovative flip-top mechanism, allowing for effortless nesting and storage, clearing valuable space when not used.

Enjoy the convenience of paddle release handles at both ends, making setup and adjustment a breeze. With pre-assembled legs, Caliber tables ensure quick and easy assembly. Experience the perfect blend of compact storage and flexible design.

Caliber | Key Features

- Steel construction with cast aluminum feet for superior durability

ZIA Hospitality Flip Top

Designed by | **J Robert Bazemore**

The ZIA Hospitality FlipTop Table delivers streamlined function and innovative design for hospitality and multi-use environments. A modular frame supports fast installation and compatibility with any standard laminate. Available in standard and bar heights, the table features a newly engineered, one-handed flip mechanism with a secure locking system. The flip-top design enables efficient storage and easy floor access for cleaning, eliminating the need to reposition the table and offering a practical, space-saving solution for dynamic spaces.
