Acrylite® Panels
Modesty & Privacy Screens

Acrylite® Privacy Screens and Modesty Panels provide an easy and economical way to add privacy to existing workstations. Privacy Screens and Side Partitions can turn freestanding tables into custom cubicles, study carrels or call center stations by adding privacy to keep employees focused and productive.

Height Adjustable

Bracket detail

Acrylite® Screens

- The superiority of Acrylite® is in its excellent light diffusion, rigidity, and smudge resistance surface
- Compatible with 1"- 1.25" thick table tops
- Excellent stability with 2 brackets for 23", 30", and 48" panels and 3 brackets for 60" and 72" panels
- Extruded aluminum brackets attach securely with permanent screws underneath the top
- Brackets nest together when using modesty panels and privacy screens for a seamless and cohesive visual appeal
- 3/16" thick with smooth edges
- Frosted finish complements a wide variety of design styles
