STREAMLINED | MODULAR | CUSTOMIZABLE

Modular Design for Living, Working, or Organizing **Mosaic Grid Shelving**

Unlock the flexibility of modular office furniture designed to fit any workflow, brand, or space. This commercial-grade shelving system is fully configurable, enabling innovative, scalable solutions for every area of the workplace, including open-plan environments, private offices, meeting rooms, and collaborative lounges. From contemporary room dividers and freestanding shelving to integrated media walls and specialized storage, the system adapts to today's needs and evolves for tomorrow's growth.

Built on a 40×40 cm grid, Mosaic Modular Shelving delivers sleek, space-saving solutions without compromising functionality. From statement displays to cable-managed storage and office dividers, its compact footprint supports a wide range of applications.

Mosaic | Key Benefits

- Modular grid design
- Extensive customization options
- Quick and easy assembly
- 12-week lead time

Designed to Adapt, Timeless Style Mosaic Grid Shelving

Assembly Made Simple

Our patent-pending connection system makes assembly tool-free and effortless; just a thumb is all it takes. Push one of our beautifully knurled connection pins into the ladder post, then slide the rail onto the pin until you hear a satisfying 'click.' Lock it in place by inserting the pin clip into the rail, again, listen for the 'click.'

Disassembly is almost as simple. Use a flathead screwdriver to release the pin clip gently. Then, hold the ladder in one hand and the rail in the other, and pull them apart with ease.

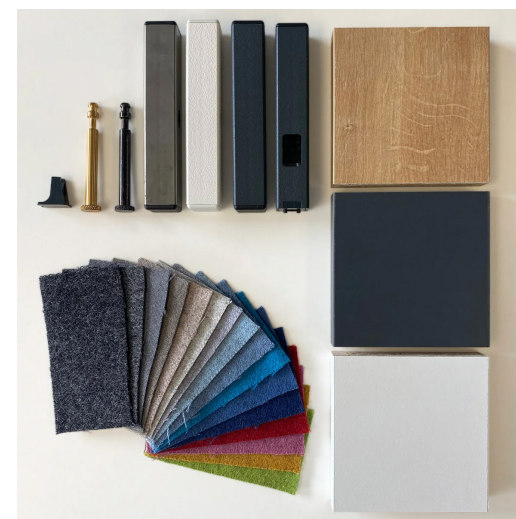

Choose Every Detail

Designed for flexibility and visual appeal.

Available in three frame finishes: Scandi White, Industrial Raw Steel, and Refined Anthracite.

Panels are offered in Graphite, White, or Oak, with optional fabric infill panels in a variety of colors.

Finished with signature end pins in Solid Brass or Black Steel.
